

**ELAN**<sup>®</sup>

Your world, made simple.™

## Imagine...

Your home's lighting, climate, security, entertainment and more – easily accessible from anywhere with one simple-to-use app.

## Imagine...

Your smart home personalized to your lifestyle, intuitive to your needs and integrated with your daily activities.

ELAN brings this power to you, enhancing your lifestyle and transforming the way you live. Your world, made simple.

# One Touch Convenience

Intuitive and responsive to your needs, ELAN makes controlling your home easy, from across the room or around the globe.

# Let's Hear Your Voice

For hands-free smart home control, speak to your ELAN system through our award-winning Amazon Alexa integration.

12" Touch Panel

# Security and Safety

Protect what matters most with more than a locked door. ELAN seamlessly integrates with top security systems for complete peace of mind wherever you go. Check on your home while away? ELAN makes it easy.

7" Touch Panel

## Comfort and Economy

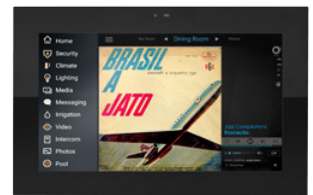

Keep your home perfectly comfortable all day and night. ELAN responds to your preferences, controlling your thermostat, lighting and shades for perfect comfort when you are home, and conserving energy when you're away.

7" Touch Panel

# Music and Entertainment

Dim the lights, warm up the room, turn on your favorite music – even before you arrive. ELAN intuitively creates perfect moments for media of all types.

12" Touch Panel

## On the Go

ELAN keeps you as connected as you like. Someone at the door?

Answer it from the restaurant across town, or the tropical beach across the globe. ELAN Intercom lets you connect with family, wherever you are.

7" Touch Panel

# Your world, made simple.

The elegant ELAN remote and touch panels place smart home control wherever you need it.

The ELAN Mobile app offers robust control and enhanced communications from anywhere – out by the pool or across the globe.

ELAN's convenient and intuitive solutions enhance the way you experience your home.

*Your certified and trusted ELAN dealer can design an ELAN solution personalized for you, your family and your lifestyle.*
